Your tasks:

1. Go to a location of interest – we've chosen Telford.
2. Open the **Basemaps** menu on the Map Window.

3. Select the Land Cover 1990 Basemap.
4. Now select **2up** from the top toolbar.
5. Select a different basemap for the map on the right. We chose the Dudley Stamp 1930s basemap.
6. Change the opacity of the map on the right to full opacity – drag the slider bar all the way to the right.
7. Select the Get Feature information tool from the top toolbar.
8. Select any points of interest on the map and an information box will pop up.
NOTE: this is not possible with the Dudley Stamp map.
