## Tasks:

1. Search for St Abb's Head.
2. **Basemaps** – select 1:50000 Rock Type.
3. Select the **Get Feature Information** button from the top toolbar. Select a rock on the map for information.

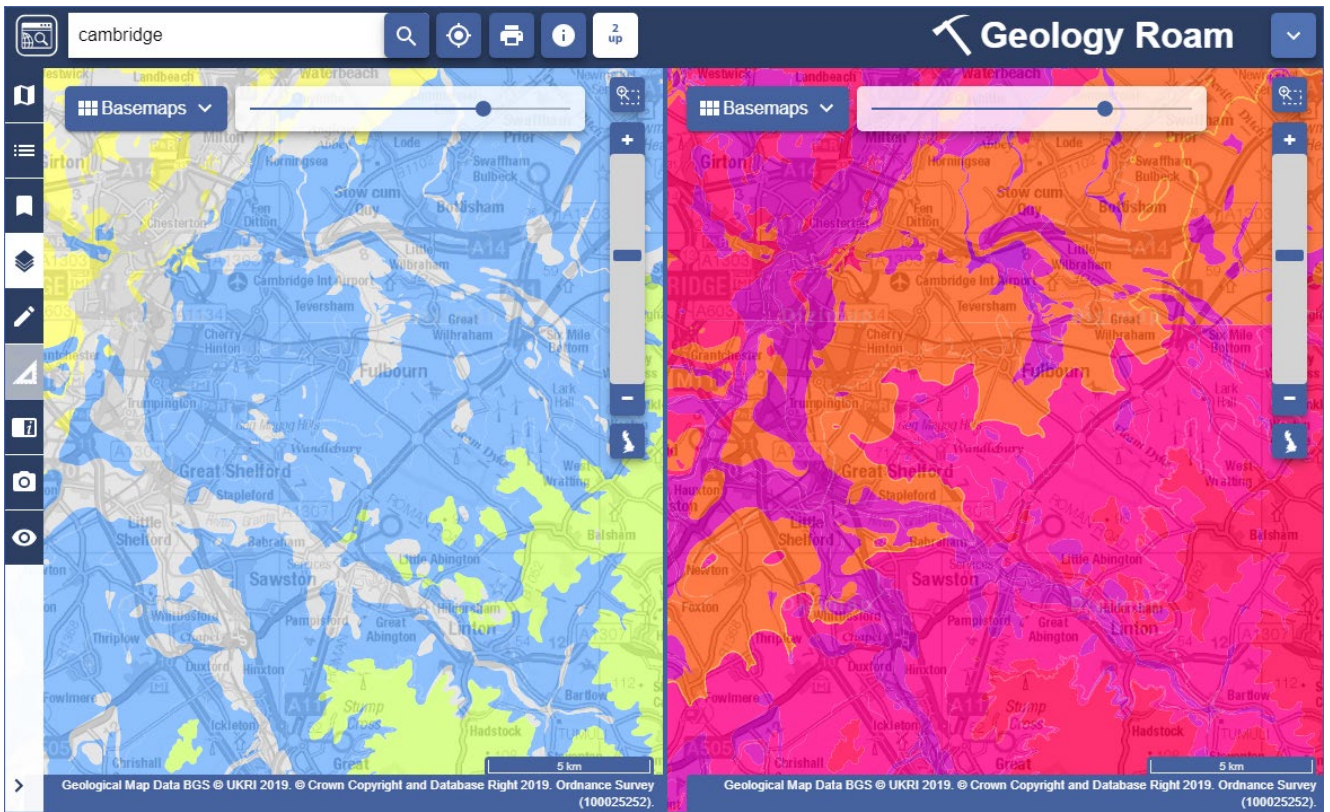

4. Try the **Active legend** in the sidebar. Select an entry in the list to highlight those rocks on the map.

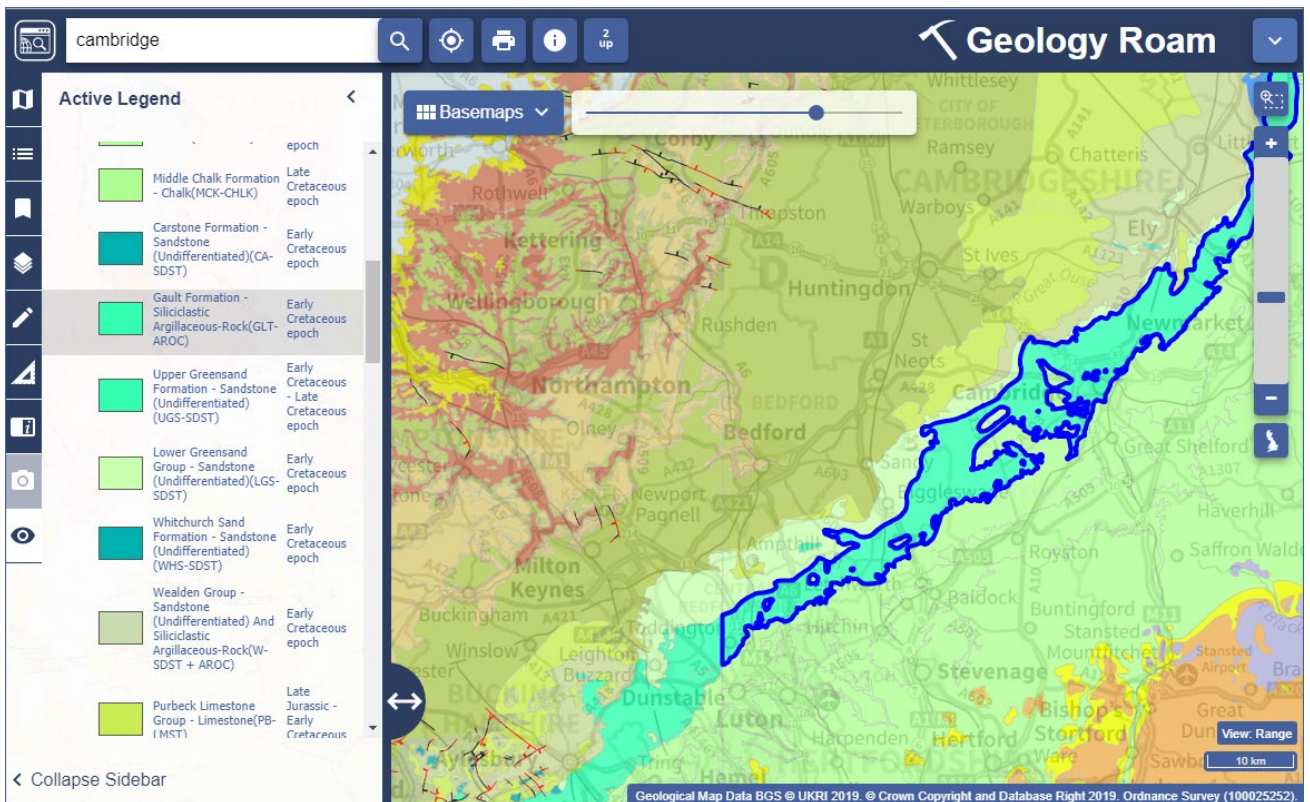

5. **Geological photos.** Select the camera icon on the sidebar to view photos from the [British Geological Survey](#).

# Compare 2 soil basemaps
