1.33 km²

0.71 km²

River Petteril

Your tasks:

- Import the file **Carlisle_urban_flood_warn_EA.zip** to show flood warning areas. Go to **Drawing Tools** > Import > and select the file.

- **Zoom in** to a Local view….find the map view name in the bottom right of the map window.

- **Basemap –** try a Vector Map District basemap.

- **Map content** - try and remove some map features to make your map clearer**,** e.g. Roads, Railways.

- **Add labels** – try and text labels to rivers and measurement labels to some of the flood warning areas.

- **Save and Print –** can you save your map within Digimap, and/or create an **A4 PDF portrait print file?**
