

### 1. View and compare historic maps:

1. Login to Digimap, select Historic Digimap > Historic Roam.
2. Search for Albert Dock. Select Albert Dock (Liverpool) from the results.
3. Select 1920s from the timeline.
4. Zoom in to map view Street 2, on the Custom House (see map image above).
5. Select 2 up view from the top toolbar.
6. Select 1950s from your second timeline.
7. Select 2up again to return to the 1920s map.

### 2. Add a drawing and save your map:

1. Open the Drawing tools, select the polygon tool.
2. Add a polygon over Custom House (1920s map).
3. Click Save > My Map. Name it Custom House.
4. Select Contemporary on the timeline, to see what's on the site now.

## Historic map with polygon

## Viewing your drawing on an Ordnance Survey map

To view a more detailed contemporary map of the Custom House site, open Ordnance Survey Roam *then* open your Custom House map (select My Maps > Open > Custom House).
